BIOGRAPHY

Based in Paris, the Italian DJ / Producer Alessandro Russo a.k.a. SLOK has been a driving force in the world of electronic music for over a decade now. A passionate musician and sound engineer who began his career on 1997 producing the first Italian Jungle / Drum'n'Bass album "They Call It Jungle" for the prestigious IRMA Records, releasing on labels such as Satoshi Tomiie's SAW Recordings, My Favorite Robot Records, Circle Music, Get Physical, Moodmusic, Turbo and One Records he has built a following with his unique sound, fusing elements of house, techno, electro and much more. At the heart of SLOK's vision has been his Electronic Petz label, set up in 2006 to provide an outlet for quality electronic music from upcoming artists regardless of genre.
